## ELIGIBILITY

Art teachers in Northern and Central New Jersey are encouraged to submit a maximum of four pieces of outstanding artwork produced by their students during the 2008-2009 school year. Please submit work produced during this period only.

- Works in all media are welcome.
- Due to space limitations, two-dimensional works must be 36" x 40" or smaller; and three-dimensional works must weigh less than 30 lbs.
- Two-dimensional works on paper must be matted in white with a minimum 4" border on all sides.
- Mat works to the nearest inch (i.e. 11" x 14", 16" x 20", etc.)
- Wrap all two-dimensional works in clear acetate.
- Works selected for exhibition will be returned to teachers for framing.
- All two-dimensional artwork (paintings, drawings, etc.) must be framed in a plain black frame and under Plexiglas, where appropriate.
- All two-dimensional artwork must be ready for hanging. Unframed or inappropriately framed works will not be included in the exhibition. We require "D" rings for the framing hardware, not wire. The size and weight of most framed artwork will determine the size of the "D" rings to be used. (Most framers will know how to install "D" rings which should be attached about 1/3 of the way down the back of the frame.)
